We’re launching a new to-go program at the Ding! Our new reusable containers allow you to take your meal to go, bring back the dirty container, swap for new, and dine again! No washing necessary. It’s just $10 to participate for the whole semester.

Here are the details:
1. Purchase your first container for $10
2. Take your meal to go in the container
3. Return dirty container to the Ding and either
   A. Receive a clean container and take your meal to go again -OR-
   B. Receive a token that can be used to receive a clean container the next time you dine to-go
