

(VI) 2022-2023 Verification Worksheet - Dependent

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for review in a process called verification. During this review, Blackburn College will compare information submitted on your FAFSA to information on this worksheet and other required documentation. Federal regulations require that we complete verification before processing federal financial aid. If there are differences between information on your FAFSA and this worksheet, your FAFSA information will need to be corrected. You will receive an acknowledgement reflecting these changes. If we do make corrections, please do **not** make any subsequent changes to your FAFSA. We may ask for additional information. If you have any questions about this form or verification, contact the Financial Aid Office at Blackburn College.
