

BLACKBURN COLLEGE PARKING REGULATIONS

STICKER PERMITS SHALL BE PLACED ON THE LOWER PASSENGER SIDE OF THE FRONT WINDSHIELD.

A valid Blackburn College parking permit is required to park all student and faculty/staff motor vehicles on campus. Exceptions will be granted to guests of the College. All student and faculty/staff vehicles that park on campus must have a parking permit. Faculty and staff stickers are issued free of charge. Each student will receive one parking sticker per school year. If additional stickers are required for any reason, they may be purchased for \$10 per sticker. Students must notify Campus Safety of any car they plan to park on campus. This may be done by going to the Campus Safety office, Room 131, in the Demuzio Center. Students must fully complete the parking registration from prior to a sticker being issued. Parking on public streets in non-designated areas will result in tickets being issued by the Carlinville City Police Department.

Vehicles with a valid parking permit may park in any available on-campus parking area (except where otherwise restricted) on a first-come-first-served basis. Parking spaces are designated by the presence of a parking block or painted lines. If parking blocks or lines are not present, **DO NOT PARK** in that location. Parking (or driving) on sidewalks, lawns, fire lane, or other non-parking areas is prohibited at all times. Various locations on campus are marked as Faculty/Staff parking. These spaces are reserved between the hours of 7:30 a.m. and 5:00 p.m., Monday through Friday with the exception of Ludlum Hall, which is no student parking 7 days a week, 24-hours a day. **Designated parking for visitors, R.D.s,R.A.s, College vehicles and handicapped spaces are reserved on a 24-hour a day, 7 days a week basis. During special events (e.g. Homecoming, Commencement, etc.) temporary parking regulations may be in effect.**

Motor vehicles (including motorcycles/scooters) may not be left on campus during vacation periods unless approved by Campus Security. Motorcycles must be parked in designated parking spaces only. There are not parking areas designated for only motorcycles. Inoperable vehicles must be removed from the campus within 10 days.

Persons violating parking rules will be issued a Notice of Parking Violations.
