

Preventing Sexual Violence in Higher Education Act Annual Report Template

Instructions

As a higher education institution in Illinois, your school must provide an annual report with data and information related to the implementation of the Preventing Sexual Violence in Higher Education Act (Act). The 2017 report covers data and information concerning the preceding calendar year (January 1 – December 31, 2016). Your report is due to the Illinois Department of Human Rights and the Illinois Attorney General's Office by November 1, 2017. *See* 110 ILCS 205/9.21(b).

This form provides guidance for reporting to the Illinois Attorney General's Office. Schools may, but are not required to, use this form for their report. A complete report must include the documents identified in Part A and the data requested in Part B. Part C provides space, if desired, for your school to include information to explain, contextualize or clarify data or information provided in Parts A and B. Your school may submit its Annual Security & Fire Safety Report (i.e., Clery Act Report) and, if necessary, supplement it with additional data and information to fulfill the Preventing Sexual Violence in Higher Education Act's reporting requirements.

If your institution fails to submit a report, or submits an incomplete report, it will be listed on the Illinois Attorney General's website as an institution that is not in compliance with the Act.

For more information regarding the reporting requirements, please read the Frequently Asked Questions Regarding the Act's Reporting Requirements, which you can find on the Illinois Attorney General's website at <http://www.illinoisattorneygeneral.gov/rights/civilrights.html>.
