

# THE BUD MADDUX GOLF PERFORMANCE CENTER NAMING OPPORTUNITIES

## Golf Performance Center

Located within the southwest corner of the new practice facility, the center will feature a practice putting green, a hitting bay, two golf simulators, and team locker room.

### Locker Room and Lockers

Featuring country club style wooden lockers for the men's and women's golf teams and coaches, and a small lounge with a large monitor to review their swing.

### Golf Simulator Hitting Bays

Two full-swing hitting areas with high quality golf simulators featuring some of the best golf courses in the United States.

### Practice Putting Green

1200 square foot green with tight synthetic grass, heavier fringe turf, and slight undulations with five cups—designed to replicate an actual grass putting green.
