

International Student Agreement

Students attending Blackburn College with F-1 visas must comply with U.S. immigration regulations in order to maintain legal status. F-1 students are responsible for understanding the rules and regulations for studying in the U.S. Failing to do so can result in losing the right to study in the U.S.

For more information on immigration rules and regulations, visit <https://studyinthestates.dhs.gov/> or www.educationusa.state.gov

As a Condition of Admission, I Agree To:

- Have sufficient funds available for tuition, fees, and living expenses for each year of study. I also understand that Blackburn College does not have financial aid set aside specifically for international students, and that immigration rules and regulations prohibit me from working off-campus without obtaining permission from the government. While there are limited jobs available for pay on campus, I understand that I am not guaranteed to receive a job.
- Pay all tuition and fees by the designated payment deadline date each semester. If I do not pay by the deadline date, I understand that I will be prohibited from registering for future semesters. If you do not register, you will be in violation of your immigration status and subject to deportation.
- Authorize the College to release to any U.S. government officer information requested to determine my compliance with the immigration laws.
- If I am a transfer student, I must notify my current institution of my intent to transfer, and submit to Blackburn College an up-to-date I-20 from the school in which I am transferring from.
- Report to Blackburn College's Designated School Official (P/DSO) upon arrival, and submit a copy of my passport and any other requested documentation. I understand that if I fail to do so, Blackburn College is required to report the information to the United States Citizens and Immigration Services, which could start deportation proceedings.

I certify that I have read the above information and I understand that I must fully comply with all rules and regulations for F-1 students in order to remain in good standing. I also certify that I have **\$24,265 U.S. dollars** for my first year of study at Blackburn College.
